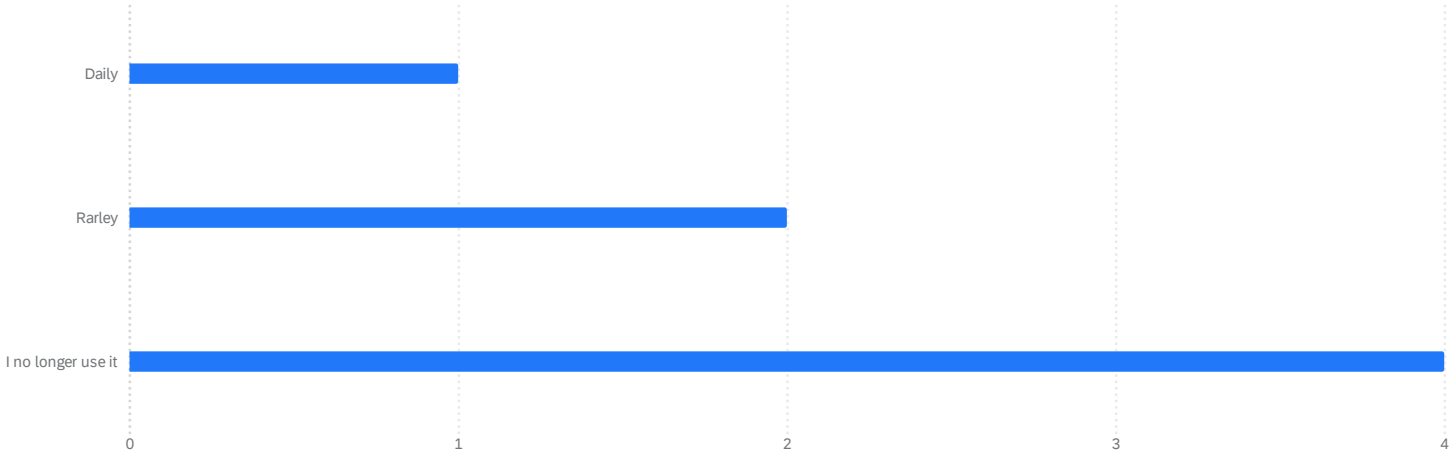
Yes	57%	4
No	43%	3

Q2: Have you ever used Duolingo before? 14

Average (Q2 - Have you ever used Duolingo before?)	1.43
Minimum (Q2 - Have you ever used Duolingo before?)	1.00
Maximum (Q2 - Have you ever used Duolingo before?)	2.00
Standard Deviation (Q2 - Have you ever used Duolingo before?)	0.49
Variance (Q2 - Have you ever used Duolingo before?)	0.24
Count	14

QID12: How often do you use the app? 7



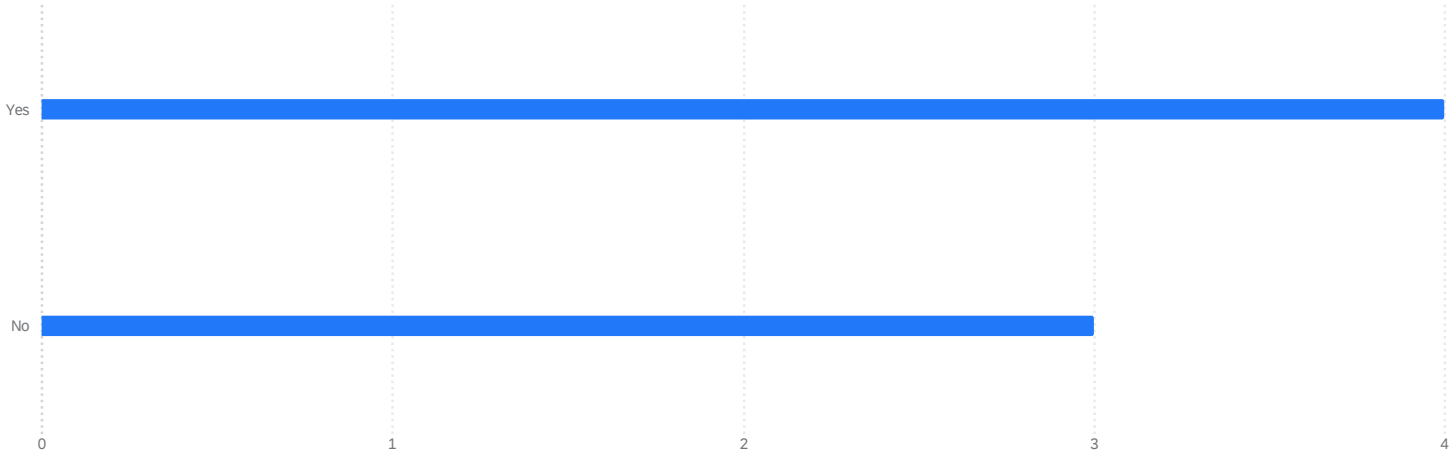
QID12: How often do you use the app? 7

QID12 - How often do you use the app?	Count	Count
Daily	14%	1
Rarley	29%	2
I no longer use it	57%	4

QID12: How often do you use the app? 14

Average (QID12 - How often do you use the app?)	4.14
Minimum (QID12 - How often do you use the app?)	1.00
Maximum (QID12 - How often do you use the app?)	5.00
Standard Deviation (QID12 - How often do you use the app?)	1.36
Variance (QID12 - How often do you use the app?)	1.84
Count	14

Q15: Did you find the app easy to navigate? 7



Q15: Did you find the app easy to navigate? 7

Q15 - Did you find the app easy to navigate?	Count	Count
Yes	57%	4
No	43%	3

Q15: Did you find the app easy to navigate? 14

Average (Q15 - Did you find the app easy to navigate?)	1.43
Minimum (Q15 - Did you find the app easy to navigate?)	1.00
Maximum (Q15 - Did you find the app easy to navigate?)	2.00
Standard Deviation (Q15 - Did you find the app easy to navigate?)	0.49
Variance (Q15 - Did you find the app easy to navigate?)	0.24
Count	14

Q19: What language(s) are you learning? 14

What language(s) are you learning?

Vietnamese

Chess

Maths

What language(s) are you learning?

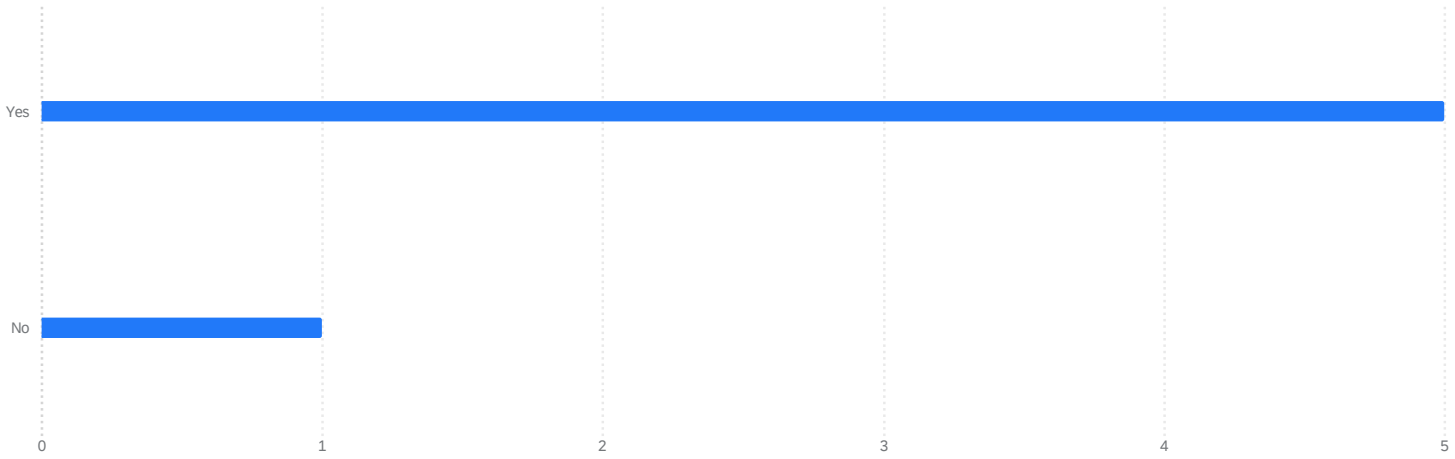
Japanese

Italian, Japanese, Indonesian

Russian/spanish

None

Q5: Did you find the app accessible for your use case? 6



Q5: Did you find the app accessible for your use case? 6

Q5 - Did you find the app accessible for your use case?	Count	Count
Yes	83%	5
No	17%	1

Q5: Did you find the app accessible for your use case? 14

Average (Q5 - Did you find the app accessible for your use case?)	1.17
Minimum (Q5 - Did you find the app accessible for your use case?)	1.00
Maximum (Q5 - Did you find the app accessible for your use case?)	2.00
Standard Deviation (Q5 - Did you find the app accessible for your use case?)	0.37
Variance (Q5 - Did you find the app accessible for your use case?)	0.14

Count	14

Q16: What parts of the app were not accessible? 14

What parts of the app were not accessible?

There were no clear labelling for the icons. I did not know what each tab does with out looking up on the Internet.

Q3: What are your reasons for learning a new language? 14

What are your reasons for learning a new language?

Family

I want to learn chess because it is fun.

For fun

To use it when travelling

Fun

wanted to try something new

To expand my knowledge

Q20: What improvements do you think can be made to the app? 14

What improvements do you think can be made to the app?

Being able to select speech translations (i.e. turn on/off and have different sections to revisit)

More labelling for the icons.

None

Better navigation system, better learning structure

What improvements do you think can be made to the app?

add light mode option

Some tabs are not understandable and require explanation

Q2: What was your experience signing in/creating an account for Duolingo? 14

What was your experience signing in/creating an account for Duolingo?

Good

It was very easy.

Didn't sign in

Easy, signed in quick.

easy

Simple
